

An inexpensive, non-intrusive mentor program for company employees featuring

Assistance for employees stressed about money, struggling with debt, having difficulty caring for their family or just looking for a better, easy, natural way to manage their household income

### Features

Employer:

- Appoints one or more employees to be a Financial Fitness Mentor
- Reimburses Financial Fitness Mentors for their A Real Budget license (\$79.95 each)
- Optionally reimburses mentored employees for their A Real Budget license

Financial Fitness Mentor:

- Uses A Real Budget at home to manage their personal finances
- Mentors employees on getting started with and using A Real Budget
- Conducts employee financial fitness seminars on household finances and A Real Budget

### Benefits

- Reduced employee stress about money
- Improved productivity
- Improved morale
- Less emphasis on a raise as the only solution for money issues at home
- Enhanced comradery
- As an employee benefit, a Financial Fitness Mentor program enhances recruiting and retention efforts
